

The Planning Inspectorate

Application by London Luton Airport Limited for an Order granting Development Consent for the London Luton Airport Expansion project

Action Points arising from the Open Floor Hearing (OFH1) held on the evening of Thursday 10 August 2023

Action	Description	Action by	When
1	Query by Linda Davies whether site inspections had been undertaken in Caddington. ExA advised that it had visited Caddington [EV1-001] in May and again before the Preliminary Meeting. If Ms Davies considers that the ExA should visit further locations in Caddington, the ExA advised there is an opportunity for parties to submit requests in writing for accompanied site inspections (ASI) or to make suggestions for further areas for the ExA to visit on an unaccompanied basis (USI).	ExA	Response provided in meeting but if wish to request further ASI or USI this needs to be made by Deadline (D) 1
2	Applicant to check and confirm in writing whether there have been changes to flightpaths, in light of comments from residents in Slip End and south Luton that planes are approaching closer to the town centre than in the past.	Applicant	ExA to confirm deadline in Rule 8 letter.
3	In response to a concern raised regarding whether staff car parking for the application was proposed for part of the Strawberry Star development the Applicant clarified that it didn't think that the application affected this development but requested that further information regarding the concern be submitted so that they could check this further and confirm.
