Dear Ms Dowling

Location: London Luton Airport, Airport Way, Luton
Proposal: Application by London Luton Airport Ltd for an Order Granting Development Consent for the London Luton Airport Expansion project – Deadline 2 (Ref. 20040580)

Further to the publication of the Rule 8 letter dated 17 August 2023, Central Bedfordshire Council have updated the Principal Areas of Disagreement Summary Statement (PADSS). For ease all additional points have been added as track changes.

On behalf of all host authorities Paul Donovan of Hertfordshire County Council has submitted reports from Genecon and Chris Smith Aviation Consultancy Limited. CBC support the findings contained within these reports.

It has come to our attention that the Council's Written Representation submitted on 17 August 2023 does not include Appendix A. An updated copy is attached to the email, and it is hoped that this can be accepted at the discretion of the Examining Authority.

Document 8.31 Applicant's Response to Relevant Representations (Part 2A of 4 (Local Authorities)), which was submitted on 25 August 2023 is noted but does not alter the position of CBC as set out in the Written Representation.

I hope the above provides suitable clarification but please contact me should you have any queries.

Yours sincerely,

Caroline Macrdechian
Principal Planning Officer
