Dear Sir/Madam,

Network Rail were requested at Issue Specific Hearing 4 to submit representations in respect of rail capacity issues by Deadline 5. We have been liaising with the Applicant to signpost Network Rail to the application documents which assessed rail capacity issues as this did not appear to be addressed in the Transport Assessment as previously advised. We have since been notified by the Applicant that they intend to submit a note on rail capacity by Deadline 5 (14 November), which will cover additional information required by Network Rail to make an assessment on rail capacity. As the Applicant is now submitting further evidence in respect of Rail Capacity, Network Rail would like to request the Examining Authority to amend the deadline for submission of Network Rail's note on rail capacity to Deadline 6 (8 December) in order for Network Rail to review the Applicant's additional evidence/note and provide a response (as well as set out Network Rail's position on the impact of the DCO on rail capacity).

We look forward to hearing from you.

Kind regards,

Rohini Vekaria

Associate
