---

With regard to THE INFRASTRUCTURE PLANNING (EXAMINATION PROCEDURE) Rules 2010 (as amended) - Rule 17 Letter.

I have listed my concerns about the effect that the airport expansion might have with regard to my position in Slip End.

1) Increase in air traffic giving rise to increase in noise levels already intrusive (when working in my home studio) during the day and also disrupted sleep at night as the flight path for take off means the planes are quite low over our Slip End and our property.

2) Increase in the level of traffic on the A1081 which could make getting in and out of Slip End even more difficult during peak working travel times.

3) Increased use of shuttle buses through the village going to and fro from airport car parks situated in the village.

4) Possibly might reflect on the value of my property.

Kind regards

Roland Hyde
