# 1 PURPOSE OF DOCUMENT

- 1.1.1 This document presents a figure showing the relationship between the **Green Controlled Growth Framework [REP5-022]**, **Framework Travel Plan [REP4-044]** and Transport Related Impacts Monitoring and Mitigation Approach (TRIMMA) (an Outline of which was submitted with the application **[REP5-041]**).
- 1.1.2 This has been produced in response to requests by both the Examining Authority and Interested Parties at Issue Specific Hearings 7 and 9 for information about how the three control frameworks interact, from pre-consent through to recurring activities as part of the operation of the expanded airport.
- 1.1.3 Figure 1.1 overleaf provides the figure described above.
