Deadline 7**

The Hertfordshire Host Authorities (Dacorum, Hertfordshire and North Hertfordshire councils - the 'Authorities') note the Examining Authority's 'Rule 17' request for further information dated 3rd January 2024 in relation to the proposed s.106 agreement. The Authorities understand that the Applicant intends, in response to this request, to submit a working draft of the s.106 agreement that contains various collective comments and suggestions from the five Host Authorities. Whilst the Authorities do not object to this in principle, the Examining Authority should be aware that the comments and suggestions so included should not be treated as 'full and final'. Discussions are ongoing with the Applicant on the items proposed to be included in the s.106 agreement and the associated drafting. A meeting is proposed to be held between the parties to discuss further comments from the five Host Authorities (the intention is that these will be provided to the Applicant by the end of 12th January 2024) in the week of 15th January 2024.
