Dear Ms Dowling,

**Re: Planning Act 2008 (as amended)  
Application by London Luton Airport Limited for an Order Granting  
Development Consent for the London Luton Airport Expansion project**

This letter is a response to the Examining Authority's 'Rule 17' request for further information dated 3 January 2024 in relation to the proposed section 106 agreement.

Luton Borough Council understands that the Applicant intends, in response to this request, to submit a working draft of the section 106 agreement that contains various comments and suggestions from the Host Authorities. Whilst Luton Borough Council does not object to this in principle, the Examining Authority should be aware that the comments and suggestions so included should not be treated as 'full and final'. Discussions are on-going with the Applicant on the items proposed to be included in the section 106 agreement and the associated drafting.

A meeting is proposed to be held between the parties to discuss further comments from the Authorities (the intention is that these will be provided to the Applicant by the end of 12th January 2024) in the week of 15th January 2024

Yours sincerely
