Dear Ms Dowling,

LONDON LUTON AIRPORT EXPANSION – DEADLINE 9 SUBMISSION

Please find attached National Highways' deadline 9 submission, which responds to points raised in respect of the post-Covid 19 modelling and the OTRIMMA at deadline 8.

Whilst several of National Highways' concerns have been addressed, a number of critical areas of disagreement remain.

The following documents are provided:

1. A Technical Note concerning the Saturn and VISSIM modelling.
2. An updated version of the Technical Note regarding the OTRIMMA that was submitted at deadline 7. We have retained the original Note with track changes applied to make the developments since the previous deadline clearly visible and therefore easier to read.

Yours sincerely,

Kelly Milburn
Spatial Planning Manager
