I write in respect of the above-mentioned Development Consent Order.

Please find attached the following documents:

- Comments on any further information / submissions received by Deadline 9; and,
- Response to the Applicant's Response to Deadline 8 submissions (REP9-051).

Turning to other matters:

Rule 17 – Request for further information and written comments dated 31 January 2024

The Council has no comments to make in respect of this request.

Statement of Common Ground (SoCG)

The Council would draw the ExA's attention to the fact that the Council continues to actively engage with the Applicant and final SoCG progress is anticipated prior to Deadline 11.

S.106 agreement

Buckinghamshire Council is continuing to work with the Applicant in respect of the draft S.106 agreement, to ensure that the Council's interests are protected. The Council has raised issues regarding the drafting of the S.106 within its Deadline 10 submissions. Final comments on this matter, if unresolved, will be provided at Deadline 11.

I trust that this submission for Deadline 10 clearly sets out the position of Buckinghamshire Council in respect of this Development Consent Order for the expansion of London Luton Airport.
