Dear Ms Dowling,

**Re: Planning Act 2008 (as amended)
Application by London Luton Airport Limited for an Order Granting
Development Consent for the London Luton Airport Expansion project**

This letter provides Luton Borough Council's (LBC) final submissions to the Examining Authority (ExA).

We would like to thank you for the way the Examining Authority has conducted the Examination and the work that your team have put in to ensure that things flowed smoothly and in a timely manner.

At this stage we are submitting a number of documents that were not specifically requested, but which we think will assist the ExA. We list the documents below with an explanation where necessary.

- LBC Responses to Any Further Information Received at Deadline 10.
- Luton Council Deadline 11 Response to ExA Rule 17 PD-024 Letter.
- Principal Areas of Disagreement – this document has been updated from that submitted at Deadline 8 **[REP8-060]**. As a consequence of progressing the SoCG, the references in the previous version to SoCG items have changed. In addition, we have managed to agree more items with the Applicant, so that is also reflected in this final version.
- LBC Final Position Statement – whilst this is not a requirement, given that we have worked collaboratively with the other Host Authorities, whilst having a different position from them, we thought that it would be useful to provide the ExA with our final comments on how things have progressed during the course of the Examination.

Under separate cover, you will receive final comments on the DCO prepared by Pinsent Masons on behalf of the five Host Authorities. You will also receive an update on the status of the Section 106 Agreement.

Finally, the Applicant will upload the signed copy of our SoCG. You will see that we have agreed 78% of the 180 items in the SoCG.

Again we want to express our thanks for the way you have run this Examination and wish you all the best as you prepare your report and sift back through the hundreds of thousands of pages that have been submitted over the past year.

Yours sincerely

Sue Frost
