Dear Sir/Madam

Location: London Luton Airport, Airport Way, Luton
Proposal: Application by London Luton Airport Ltd for an Order Granting Development Consent for the London Luton Airport Expansion project – Request for information

I write in response to the letter dated 2 August 2024 seeking further information on a number of matters relating to the above application. Apologies for the delay in providing a response.

The only point of relevance to Central Bedfordshire Council (CBC) is point 7, which seeks clarification on whether a side agreement seeking proposed highway mitigation works at the A1081 New Airport way/Gypsy Lane junction (Works Nos 6e(b)) has been successfully completed. I can confirm that a side agreement securing the proposed highway works at A1081 New Airport Way/Gypsy Lane junction was signed by CBC and the Applicant.

I hope the above is of assistance but please contact me should there be any points of clarification.

Yours sincerely,

Caroline Macrdechian
Principal Planning Officer
