Hi if the Airport Expansion goes ahead The Environmental impact will be massive.  
The Roads Round the airport and from the motorway are already over congested especially at peak times.

The pollution is getting worse and the area

Where the Expansion is taking place is going

To disrupt the wild life which has been there longer than the Airport and it should be left  
In peace.

So please do not allow the Expansion to go

Ahead we are supposed to be saving the Environment not polluting it even more.

Yours sincerely
