Dear Sir/Madam,

**Planning Act 2008 and the Infrastructure Planning (Examination Procedure)
Rules 2010**

**Application by London Luton Airport Limited (“the Applicant”) seeking
Development Consent for the Proposed London Luton Airport Expansion (“the
Proposed Development”)**

**CONSULTATION SEEKING INFORMATION FROM THE CHILTERN
CONSERATION BOARD, NATURAL ENGLAND AND ALL INTERESTED PARTIES**

REQUEST FOR INFORMATION (dated 11th November 2024)

Interested Party Reference number: 20040777

1. The Request for Information dated 27th September 2024, requested the following:

‘Side Agreements

6. In its letter dated 20 September, the Applicant provided an update regarding the status of the side agreement in relation to the proposed traffic monitoring. The Applicant and Hertfordshire County Council are requested to confirm whether this side agreement has now been completed and if not, when an agreement might be concluded.’

2. In its response dated 11th October the County Council advised:

‘Side Agreements

2. The County Council, together with North Hertfordshire District Council (within whose administrative areas the monitoring the subject of the Agreement would occur), have been engaging with the Applicant, the terms of the Agreement have been agreed and the Applicant and the County Council should be able to complete during October.’

3. Unfortunately, that timeframe has proved optimistic and whilst the side agreement has been signed by the applicant, the County Council is still progressing it through internal procedures. That process is well advanced, and it is anticipated the agreement will be completed within a period of two weeks, following which the County Council will provide an immediate update.

Yours sincerely,

Paul Donovan
