Dear Tom,

I am writing to inform you formally of a change of identity in the prospective promoter of the forthcoming Manston Airport Development Consent Order.

The application will now be made by RiverOak Strategic Partners Ltd (RSP), a UK-registered company which owns all rights and interests and has assumed financial and operational responsibility for the DCO and the anticipated reopening and operation of the airport.

The personnel of Tony Freudmann, Niall Lawlor and George Yerrall remain the same, as do the consultants previously instructed by RiverOak Investment Corporation Inc.

RSP has a new website www.rsp.co.uk - I would be grateful if you could amend your records to reflect the change of company and its website.

Regards

Alex
