I support the notion to keep the land at Mauston Airport as a working airport.

The airport will benefit the whole area for jobs, business and recreation. It makes sense to move cargo from Gatwick/Heathrow reducing London flight congestion. I strongly oppose the building of housing on this site as I feel that the local area cannot support this by way of infrastructure. The roads of Thanet are already busy enough.

The building of such a large scale housing proposal would destroy our sea-side high street business.

My ultimate desire would be to see the cruiseships use Ramsgate Port and have a local link to air transport.
