I disagree with the planning application on 4 reasons are listed below.

- 1/ In the history of Manston Airport it has never been used as a major Cargo Hub.
- 2/ Infrastructure around Thanet and wider areas are totally inadequate for the extra HGV use and fuel tanker movements to and from site will be very challenging.
- 3/ No definite information on the number of night flights required.
- 4/ The impact on people's health would be considerable due to noise levels, pollution levels, sleep deprivation.
- 5/ Education will be interrupted during the period in school throughout Thanet and surrounding districts.
- 6/ Ramsgate is a town with a population of 40,000 with housing estates only 1.3 km. from the airport runway when the airport was used by, M.K Airlines, Meridian and K.M Air, previously there were incidents of roof damage reported. The issue of a major disaster occurring over such a town like Ramsgate doesn't bear thinking about, but must come into the equation.
- 7/ Beside towns like Ramsgate, Broadstairs, Margate and Herne Bay, over the <sup>last</sup> few years have worked hard to re-establish a thriving tourist trade which will be severely affected by a major Cargo Hub.
