REGISTRY

Sir,

I am a 69 yr old retired N.H.S. General Practitioner, who has lived in Broadstairs, Kent since August 2004. I also enjoyed a 31 year career in the Territorial Army, holding the Queen's Commission, retiring as an established Lt.-Col. I commanded the Maidstone medical unit 220 (1<sup>st</sup> H-C) Fd. Amb. RAMC(U) 1992-1996.

Post command I continued until retirement (2009) as a Battlefield Advanced Trauma Life Support instructor (BATLS)

I am a Non-Executive Director of London East Kent Coast Airport (Manston) Ltd.

I am writing in support of the Manston Airport Expansion Scheme submitted by Winbourne Martin French. The simplified plan dated 22<sup>nd</sup> Sep. 2017 has been submitted separately. This meets all the foreseeable aviation requirements of the South East with space for more runways later if needed.

This would enable military, corporate, Air Sea Rescue Helicopter Air-Ambulance, and Coast Guard services as well as freight and civilian operations. This would give excellent access and minimal pollution due to Manston's unique position covering the English Channel and its approaches. Night flight activity could fly south of the River Stour.

Please check that you have completed all relevant sections, otherwise you may not be able to take part in the later stages of the examination.
