REGISTRY

Mrs V Marcantonio

Dear Sir - Madam

I wish to place my
concern about Morrison
Air Port. By bad management
it should never have come
to this situation. The air
port is vital to our
economy. I was born &
lived here slept in the
tunnels & have seen

thrust up & down -

Not so people who have
been here a few years -
and only think for themselves
& their back pocket.

Please say yes to the airport
Yours Sincerely [redacted]
