**Subject:** reopening manston airport

It is very important to reopen the airport as it will improve the local economy by bringing jobs to the area. Thanet is a summer area and needs to be an all year round one . It will also raise the quality of life by providing access to other countries once the freight services have developed. technical expertise will follow with the developing of maintenance supporting the incoming aircraft. Look at Gatwick's growth. What we don't want is an island covered in houses for retired Londoners and National drop outs.
