Dear Sir/Madam

Network Rail has decided not to attend the Preliminary Hearing on Wednesday.

Network Rail would like the following to be noted regarding Item 4 of the Agenda. During the Examination process NR requests:

- sufficient time and notice to present the case on having NR standard protective provisions in the Order;
- sufficient time and notice to present the objection to compulsory acquisition of land.

Network Rail intend to fully participate in the Examination process whilst working with the Promoter to resolve any outstanding objections.

Kind regards

Jessica

Dear Jessica

Thank you for your email. I confirm receipt of Network Rail's wish to attend and speak at the Preliminary Meeting. It would be helpful if you could confirm roughly how many people will be attending on behalf of Network Rail; you could then confirm the names after the Christmas break.

Kind regards

Dear Sir/Madam

Further to the issue of the Rule 6 letter, I can confirm that Network Rail will be attending the Preliminary Hearing. At present I am unable to provide names of those at Network Rail who will be attending- it is possible to confirm this in the New Year?

With regard to making any oral submission at the hearing, Network Rail wish to reserve the right to speak to Item 4 regarding the timetabling of the hearings. Network Rail intend to raise the following:

- ensuring NR gets sufficient time and notice to present the case on having NR standard protective provisions in the Order;
- ensuring NR gets sufficient time and notice to present the objection to compulsory acquisition of land.

Kind regards

Jessica Craven
