There is absolutely no doubt that Riverosk's plans to redevelop Manston Airport is a marvellous opportunity for both the population of East Kent and for the wider community.

Money is offered to train local people for all the necessary jobs in the running of this airport.

With its wonderful runway there is no setting more ripe for redevelopment.

When the decision has been reached the door will open to employ numerous, presently unemployed people living in the immediate hinterland.

I hope that this marvellous opportunity will receive the support it so richly deserves.

Yours sincerely

Anne Hancox
