**Subject:** RiverOak DCO

Dear Sirs

We wish to express our total support for the DCO application made by RiverOak Strategic Partners Ltd, to re-open Manston Airport.

Thanet needs the investment proposed by RiverOak, as it's an area with high unemployment and social deprivation. This has been evidenced by the reports produced by Kent County Council and subsequently published on their website.

Within the documents supplied by RiverOak to support their DCO application is a report from Dr Sally Dixon. This details how a re-opened Manston airport will create employment opportunities, reinvigorate the local economy and how RiverOak will engage with Higher and Further education providers to offer academic opportunities to local young people.

We would implore you to grant the DCO as it offers so many opportunities that will benefit the Thanet area for generations to come.

Regards

Mr & Mrs G Tobin
