

Key Save Manston Airport Videos

Please see the enclosed video files, or follow the YouTube links. (the pictures are only images)

1) Jerusalem Video (Manston Airport) :

This video, above all is the key video for Manston Airport supporters :

How local people feel :

[1] Manston Airport September 2014.mp4

Dot Favell :

I tell you if ever anything showed what we are fighting for this cam clip is it. Gloag and her cahoots just don't get it do they. All they can see is pound signs. This is OUR land, this is OUR HERITAGE, this is the last green part of Thanet before the whole bloody Isle of Thanet gets swallowed up in housing and half empty industrial sites. Look at this and weep TDC councillors because this is what YOU should be fighting for as well. And shame on those who won't or don't.

2) Manston Dreaming (Trombone Solo) :

by SisterGoodbass

Annie Whitehead, of Penguin Cafe Orchestra, The Orchestra that Fell to Earth, and the Kent group Arlet, on Trombone.

3) Great Manston Race on 13th May 2014,

where two identical cars left the Palace of Westminster at the same time, one bound for Gatwick and the other for Manston.

"...from central London to a backside on a plane taking off, Manston will actually be closer than Heathrow."
- Sir Roger Gale, adjournment debate, 29 April 2014

As further evidence in support of Sir Roger Gale's speech in the House of Commons, the Save Manston Airport group organised a race from the Houses of Parliament, by road, for two teams, one via Gatwick and one via Manston, with 'virtual' flights to Schiphol Airport, Amsterdam. This is the result of the race.

The Manston car won.

Aim

To prove that the Davies report is *wrong* to discount Manston as a viable airport because it is "Too far from London". We will demonstrate that it is faster to drive from Central London to Manston Airport and catch a flight to Amsterdam, than it is using Gatwick.

How?

We will time two 'passengers' journeys, starting at The Houses of Parliament with an end destination of Schiphol Airport Amsterdam. One will 'fly' from Manston and one will 'fly' from Gatwick. These will be virtual flights. The passengers will travel by road to the airports. We will measure the accrued time for each stage of the journey :

- London to Airport
- Parking the car
- Transfer to airport
- Check in time
- Flight duration

The total time for each 'journey' will be calculated and compared.
