Dear Sir/ Madam

## **Planning Act 2008 and The Infrastructure Planning (Examination Procedure) Rules 2010 – Rule 8(3)**

### **Application by RiverOak Strategic Partners for an Order Granting Development Consent for the upgrade and reopening of Manston Airport**

#### **Notice of variation of timetable**

Due to technical difficulties it has taken an unusually long time to make some of the submissions made to Deadline 3 in the Examination Timetable available on the National Infrastructure Planning website. In particular this delay has affected the Deadline 3 submissions made by No Night Flights (NNF). A number of late Deadline 3 submissions by other Interested Parties are also affected.

Having considered the possible implications of the delayed availability of these submissions, **the Examining Authority (ExA) has decided to vary the Examination Timetable to allow for any comments on the Deadline 3 submissions by NFF and the late Deadline 3 submissions to be provided to Deadline 5 (29 March 2019)** instead of Deadline 4 (8 March 2019).

**Note:** If you are a Statutory Party that did not make Relevant Representation or has not confirmed Interested Party status in the prescribed manner, you have received this because the ExA is required to inform all persons invited to the Preliminary Meeting about variations to the timetable. We will not write to you again.

If you have any questions please contact the Case Team.

Yours sincerely

*Kelvin MacDonald*
