Dear Sirs,

I am a supporter of the reopening of Manston Airport by RSP.

I want to inform PINS that I read the 'SUMMARY OF WRITTEN REPRESENTATION dated 17/02/2019 FROM LOCAL BUSINESS AND INTERESTED PARTY, FIVE10TWELVE LTD' ....and I must ask how this anti Airport statement (8.3) can be verified as true?

'8.3. The actual voices of young people are completely absent from RRs supportive of the Applicant. Only 4 RRs have been received by young people, (18/24 yrs or younger), all of which are unanimously opposed to the proposal.'

How can this statement be true? As far as I am aware nobody can tell the age of the respondents and neither can PINS. Age is not required on the submissions.

So this leads me to believe that this statement by the **person/Business** saying that "young people are completely absent from RRs supportive of the Applicant" and saying that 'only 4 RRs have been received by young people (18/24yrs or younger) and these 4 were unanimously opposed to the proposal'.....is not a truthful statement.

I want to challenge this response to PINS by the above **person/Business**, it is complete nonsense.

Yours Sincerely

Mrs Christine Redmond
