Comment on Applicant Funding Statement and Applicant's Written Summary of Case put Orally – CA

The PwC letter attached to the Funding Statement and referred to in the Applicant's Written Summary of Case put Orally – CA is bizarre in the extreme.

It seems to say that some people somewhere have some money or other in unspecified assets in a bank account somewhere.

No more no less.

I am not sure what that is supposed to prove (if anything). It is certainly does not show proof of adequate funds for this project.
