Dear Sirs

I would like to respectfully make it known to the Examining Authority that Riveroak Strategic Partners Limited (the Applicant) has taken down a number of documents (36 in total) from its website. These documents are in the main the documents that relate to the documents that were available to the public and in the public domain for consultation purposes prior to the Examination by the Planning Inspectorate. It has been evidenced that the consultation was inadequate. Other documents taken down relate to the correspondence between the Applicant's lawyer and the CEO of Thanet District Council copying in all elected Councillors prior to key voting dates on the draft Local Plan.
