For the attention of Mr Kelvin MacDonald

Dear Mr MacDonald,

Manston Airport: Compulsory Acquisition Hearings

Thank you for your letter of 22 May 2019 confirming that SHP's request to orally question the Applicant at the Compulsory Acquisition Hearing should be granted

We are concerned, particularly given our previous experience, that there is an inconsistency between the Examining Authority recognising that the nature of our interest meets the relevant tests for questioning but then so restricting our ability to exercise the right granted to us. However, given the obvious importance of the issues to SHP we would like to take up the opportunity to ask questions of the Applicant at the Compulsory Acquisition hearing and we have instructed leading counsel for that purpose.

In doing so we will, as before, seek to use the time effectively and we will be conscious of the legislation referred to in your letter and also of the matters set out at paragraphs 99 and 100 of the DCLG Guidance, 2015.

Yours sincerely,

For and on behalf of
Stone Hill Park Ltd
