I wish to further add to my oral statement today about the number of local jobs that will be on offer from rsp. I think it was stated that 3thousand local direct jobs in year 20 and 6 thousand other where. Please note an advert on the isle of thanet news paid for by save manston airport association states 10 thousand jobs screenshot supplied as this is misleading the locals that as soon as dco granted jobs will be on offer ie 1 in 12 of the whole island will be employed by the airport.

Ken wraight.

**£300 M ! RSP want to invest £300 Million in Manston. Prediction: 10,000 local jobs. Draft S106 agreement = apprenticeships and training for this deprived area. RSP would prefer local recruits !**
