Dear Sir or Madam,

I would like to object to the siting of a freight cargo airport next to and over flying our town.

I have [REDACTED] already. I have 9 grandchildren who I wish to stay healthy. I have family that rely totally on the local tourist economy for their livelihoods, I love the gentle nature and atmosphere of our lovely seaside town. World Health Organisation research has shown over and over again the increased mortality and morbidity associated with living next to and under aircraft taking off.

Please terminate these plans straight away.

Many thanks.
