Dear Sir,

I would like to express my concern regarding the proposal and compulsory purchase of Manston Airport for a freight hub.

As I live in the peaceful village of Pegwell, which is in the flight path, I feel that my quality of life would be greatly (negatively) affected. I do not feel that I was consulted on this matter and the fact that the noise of low flying freight aircraft and the impact this will have on my quality of life and of course the negative impact it will have on my house price is appalling therefore would like to register a complaint.

Could you please reply to this email.

Kind regards,

Karen Hodgson
