Subject: Manston Airport Proposal.
Date: 24 June 2019 21:16:05

Dear Sirs/Madam,

Whilst the original airport caused some unwelcome noise of a daytime it at least had the merit of providing a service for local people.

This new proposal has nothing other than a vague possibility of passenger services and the antisocial cost of night time flights.

It is most definitely not welcomed or supported by any people that I know of in Thanet.

Please reject any proposal to reopen this failed airport.

Yours sincerely

Ron & Helen Webster
