Subject: No flights please
Date: 25 June 2019 15:03:54

I am writing to you as I live under the flightpath of the old Mansion Airport [REDACTED], Ramsgate.

I am against the application to open the airport as a cargo hub as it will make life intolerable. We are aware that the application includes flights at night, plus any that are "late arriving". The noise and pollution plus the obvious detrimental effect on our health (and other Ramsgate residents) is a serious concern. Having planes just a few hundred feet above us will be heard inside and outside our home. There will be no escape. My wife and I have [REDACTED] and these will be made worse through extra stress and pollution.

Please do not allow the cargo hub to open. It will destroy Ramsgate and offer nothing in return.

Many thanks
Gary Otewill
