		<p>In its response to CA.3.17 [REP7a-044] SHP states that:</p> <p><i>“...the Applicant had continually failed to honour “commitments” made to SHP and pointed to the evidence showing engagement from the Applicant tended to be timed around an impending deadline for DCO submissions or an examination hearing.”</i></p> <p>and that:</p> <p><i>“In essence, the Applicant’s efforts appear focussed on creating the illusion that it was making efforts, instead of taking any actions that could evidence real efforts were being made.”</i></p> <p><b>Comment on that characterisation.</b></p>
		<p>Applicant’s Response:</p> <p>The Applicant does not agree with the characterisation and will update the ExA further shortly.</p>
