										9 February 2018 - Letter seeking to advance voluntary negotiations sent 13 February 2018- Email from Tristan Wright at Southern Gas Networks (SGN) to Oliver Spencer of the Applicant's solicitors further to a telephone conversation taking place on 13 February 2018 between the aforementioned parties. Tristan Wright asked for the representatives of RiverOak to meet with SGN to gain a better understanding of the project (specifically in relation to the Gas Infrastructure). SGN expects RiverOak to secure express legal agreements for any gas infrastructure that has to be relocated for the purposes of accommodating the Project and that RiverOak may communicate with Tristan Wright and Kim Miller (SGN Legal and Easements) on all these points. SGN has worked on similar projects in the past and can provide a draft of a Framework Agreement on request 14 February 2018- Email from Oliver Spencer to Tristan Wright thanking him for his time on the telephone and email (both 13 February 2018). Oliver Spencer informed Tristan Wright that he has forwarded Tristan's email to the client and their consultant team and will revert to SGN in due course regarding an initial meeting 15 March 2018- Email from Oliver Spencer to Tristan Wright stating that RiverOak is currently finalising its DCO application for submission and that RiverOak and its representatives would be happy to meet with representatives of SGN to discuss the interaction of the proposed development with SGN's existing infrastructure at Manston Airport. RiverOak suggest that the meeting is held following the submission of the application so that it may be as productive as possible for SGN. 15 March 2018- Email from Tristan Wright to Oliver Spencer stating that the suggestion made by RiverOak's representatives is agreed and to email him to confirm when RiverOak's application for DCO has been submitted and finalised plans are available, at which point a meeting can be arranged 26 March 2018 - Letter seeking to advance voluntary negotiations in respect of highways plots sent 27 March 2018 - Email from Tristan Williams to Elizabeth Paraskeva acknowledging communication relating to proposed highway works and flagging that SGN operates gas infrastructure in these areas and that it expects RiverOak to consult, with SGN, prior to carrying out any of the said highway works. The location of SGN's gas infrastructure is shown on a plan supplied, by red, blue and green coloured lines on the "SGN Infrastructure Plan". He advised that the relevant contacts responsible for managing the said gas
