Hello, I support the opening of Manston Airport as a functioning Cargo Hub with passenger services. Although I consider that Thanet does need additional housing, especially social housing, I feel that areas on the outskirts of Thanet would be a better option. There are large areas that would be suitable. Having lived under the flightpath I had/and have am no problem with the noise. I feel that the resulting jobs would benefit local people and especially the young. This would reduce unsocial behaviour which would benefit the whole of Thanet.

Thank you

Christine Holmes
