Subject: OBJECTION to RSP plans @ Manston Site
Date: 05 July 2019 19:20:22

Sirs

Please refer to my many former objections to the plans to re-open an airport at Manston.

I'm sick of repeating how absurd, antisocial and dangerous an airport revival will be after the long track record of loss, failure and disruption it has always achieved - even by companies who have run airports before.

Stop this nonsense now. Please.

Regards

Tim Spencer
