Dear Sir/Madam

I am writing to say that I do not want night flights at Manston. As a Ramsgate resident for 10 years I have seen how much the area has regenerated, due to the High Speed rail service and feel that night flights will blight the area. People moving from London for the fresh air will be put off from coming and, particularly if their children will not be able to sleep at night due to noise. Also, the burgeoning tourist trade will suffer as tourists will not want to stay if they can't get a decent night's sleep.

Yours faithfully,

Anette Redvers-Mutton
