Dear Sir / Madam

Further to your email of the 11 June 2021 regarding the re-determination of the application by RiverOak Strategic Partners Limited for an Order Granting Development Consent for the upgrade and reopening of Manston Airport, I can confirm that as the site falls outside the coalfield area, our previous comments dated 12 September 2018 remain valid and relevant to the decision making process:

*I have checked the site location plan against the information held by the Coal Authority and confirm that the proposed development site is located outside the defined coalfield. On this basis we have no specific comments to make on this consultation.*

Kind regards

Deb Roberts
