Hi , I support the reopening of Manston Airport.
I have lived under the flight path for almost forty years and would welcome
the return of the Airport for the much-needed jobs the area needs. At the moment my
children
and grandchildren have to travel miles for decent employment .
Kind regards,
Peter Abel .

Hi,

I support the reopening of Manston Airport.

I have lived in the Thanet area all my life (32 years). I am a teacher of Engineering and construction in a school in Sittingbourne. Two subjects that are not really delivered in the Thanet area probably due to lack of industry. Thanet has such potential yet is one of the most deprived areas in the county/country. I believe that reopening Manston could be pivotal in regenerating our region, providing opportunities for all levels of our demographic.

Kind regards,
Peter Edward Abel
