I am writing to you as a resident of Westgate on Sea just down the road from Manston Airport. I will be brief, on this occasion. Thanet needs jobs, and the re-opening of the airport as a freight hub, in the beginning, will be a great start to getting people back in work either part-time or full-time. Skilled or un-skilled. Ordinary jobs, for ordinary, hard working local people. Manston will require, when open again, part time/full time cleaners and janitors, Cafe/canteen staff, Ground crews to look after the fences, grass, and tarmac etc:. Security staff and freight handlers, need I go on. We have a desperate need for jobs in this area and the airport will provide so many families that have been struggling to find employment locally a real lifeline for their wellbeing and way of life. I am passionate about my life here and the people that live in this part of Thanet. We need this airport to thrive again.
