Dear Sirs

I am writing in support for the reopening application for Manston Airport.

This will bring welcomed jobs back to an area which has for a long time been left in the doldrums of high unemployment.

Manston will bring lots of different jobs to the area which I could name, but to my heart it's the engineering jobs that will be created for the young of our area that is great.

I have been working in engineering for over 33years.

I am coming to the end of my working days so let's make sure Manston is a place for the future engineers to thrive.

Yours Sincerely

Mr N D BAKER

Ramsgate Resident.
