---

I am among many who are opposed to this development for the following reasons:

1. The noise and pollution to be suffered by residents of Thanet (especially Ramsgate).
2. The negative effect on the continued development of Thanet as a holiday destination.
3. The overloading effect on the M2 and M20 motorways.
4. The termination of the development of the Manston airport area for other proposed necessary requirements for Thanet.

Yours faithfully,

Dr W. J. Supple
