Dear sirs , i believe in manston airport and the local jobs and careers it will bring once aviation is back at the airport. Thanet needs this airport and the jobs etc it will bring as thanet is high in unemployment. My self and hundreds of others look forward to seeing manston airport in use again. Please listen to us and understand what we are all saying about manston airport , I am a ramsgate resident and live under the flightpath , Thankyou for reading this , kind regards jess kelly
