I wish to express my interest in the future of Manston Airport as an opportunity to lift the Isle of Thanet out of its financial slumber. The opportunities for local employment are enormous and far outweigh the presumed local holiday trade. I have been employed at Manston myself many years ago as was my father and three of my brothers. I have experienced the ripple effect of a low key industry at Manston and local businesses did well by it. I wholeheartedly recommend confirmation of the DCO . International freight trade is growing quickly and must be taken advantage of.
