Subject: Re: Manston Airport crimes: Parliament/NAO

Thanks for this note: I won't waste yet more time completing this survey.

An estimate of the tax cost in processing and in the various Manston plans since 2001 would be useful though by NAO etc.

And also the Manston parkway rail station now shifted from the airport which closed in 2014 - and is overdue/over budget.

As before, the airport is on the East Kent drinking water aquifer - and air pollution monitors were removed/faked by KCC/TDC as raised in my MP/PCC campaigns.
