Dear All,

Haven't we been fluffing about this very important issue- Manston Airport!

As a Ramsgate resident it's an airport, it's always been an airport -RAF and American fighter base.

Many residents here in Thanet are in support of this!

Grants Shapps when campaigning here years ago said he couldn't wait to fly from Manston .
Boris Johnson his words were CONNECTIVITY AIRPORTS AND PORTS WE HAVE BOTH and not used !

Ramsgate has been left behind by Government for 30 years .

Generation- I have attended many meetings since Laura Sandys time, it has never happened.

We all worked hard to get our Thanet south MP craig Mckinley elected- who is pro Manston

The pressure is on to keep both our Conservatives seats Conservative here in Thanet South and North

Doing nothing is not an option.

The levelling up fund for us in Ramsgate – is meant to improve town centres, we need Manston up and running to support this.

I am a town centre campaigner and have been for over 40 years .

The port of Ramsgate and Manston Airport could change Ramsgate for the better, jobs more jobs .

Stop talking about regeneration and start doing, I have stood in our town of Ramsgate waiting for regeneration .

Await to hear from you !

Kind Regards

Trevor Shonk
