Dear Sir / Madam,

I am a Ramsgate local, having lived here for over 20 years. This is to state my wish for Manston airport to remain closed as an airport and my reasons are as follows:

1. It did not work out as an airport before.
2. the drawbacks far outweigh the benefits: Re-opening the airport wouldn't create enough jobs for local people, on the contrary, it will have a detrimental effect not only environmentally due to air pollution but also noise pollution, affecting the majority of the population of Thanet and surrounding areas.
3. Enough money has been spent already, trying to get it to work.
4. The area would be better served by either regenerating the natural environment or create more housing.

I trust that my views, and those of many others, will be taken into account,

Thank you,
Kind regards,

Bianca Muntean
