If ever there was a group of locals that clearly tried to demonstrate how thoroughly underhand and dubious a company out for their own gain was it is all the wonderful locals in Ramsgate.

Years of abuse and bullying tactics have got this fiasco this far. And yet still we are here, opposing this horrendous scheme, as we knew from the start the company trying to pull the wool over so many eyes was not what they said they were.

I have no idea how the people in the planning office feel about this. But I have no doubt those that have been with it from the start know exactly what I mean.

I don't expect an answer, and I wouldn't wish you to be unprofessional and give me your opinion. I don't really need it. But I do want to say, you see! This is why we objected. What an utter waste of everyone's time and money.
