Subject: Re-determination of the Application for an Order granting Development Consent for the reopening and development of Manston Airport in Kent

Dear Sirs

Re-determination of the Application for an Order granting Development Consent for the reopening and development of Manston Airport in Kent

I note a copy of the letter to Ms Harrison and Ms Goodenough from Susan Anderson of 29 June 2021 on the Planning Inspectorate's website re Manston Airport.

I note that in Susan Anderson's letter of 29 June 2021 at para 4 and at the top of page 2 it states that - "*That Secretary of State will, as a minimum, allow a period of 28 days for the second round of consultation to allow Interested Parties to submit further representations on the responses received by the 9 July 2021 deadline and **the Independent Assessor's draft report.***" (bold added for emphasis).

Could you please confirm the date which the Independent Assessor's draft report will be released?

Could you also please put the release date of the Independent Assessor's draft report on the Planning Inspectorate's website re Manston Airport.

Yours faithfully

Samara
